

ESTA COVID UPDATE SEPTEMBER 2020

ESTA has had to cancel its meeting due on October 3rd in Halesworth, but has kept in touch with all members and the travelling public in general via its website, notice boards at all local rail stations and three bus stations and two further issues of ESTA NEWS.

Issue 153 of ESTA NEWS also included the reports which would have been presented to the Annual General Meeting which was due in May.

Two virtual meetings of committee members have been held and the committee is due to meet again by Zoom on November 18th.

We also propose a few personal meetings with a maximum of six members to discuss specific issues.

As soon as it is possible to hold public meetings again, we shall do so.
